

Pre-order a “First 100 Legacy 47moto® Mosquito®” Today!

47moto® by MYK BYK LLC is excited to announce we will be exhibiting at both the Minneapolis and Chicago Progressive IMS events on February 3-5 and 10-12. In honor of our production start up happening this Spring we will offer a special 1 time opportunity to reserve one of the first production, hand-built, Mosquito motorcycles to come off the assembly line!

Our production will ramp up slowly, producing only 40 bikes per month this Spring/Summer season of 2017. That is only 120 total motorcycles! We know from talking with riders at AIMExpo and IMS events that many of you are excited about the Mosquito launch. To reward those enthusiasts who respond by the end of February, 2017, we are offering an opportunity to reserve a ‘First 100 Legacy 47moto® Mosquito’ in either Red or Black during the promotion period. The ‘First 100 Legacy 47moto® Mosquito’ by MYK BYK LLC will be marked with special graphics denoting their ‘Legacy’ status as one of the first 100 production 47moto® motorcycles ever!

Simply go to our website at 47moto.com/order and use the PayPal button to secure your Mosquito with a fully refundable deposit of \$100. This will hold your place in line and enable you to receive one of the First 100 Legacy 47moto® Mosquito motorcycles! All major Credit cards are accepted! Or simply fill out the form below and return it along with your check for \$100 made payable to:
